MacPhail Debit Reload

NORTECH PARKING SYSTEMS

This guide provides a straightforward process for adding a balance to your MacPhail parking debit reload card.

1 Scan your parking access card at the pay on foot station.

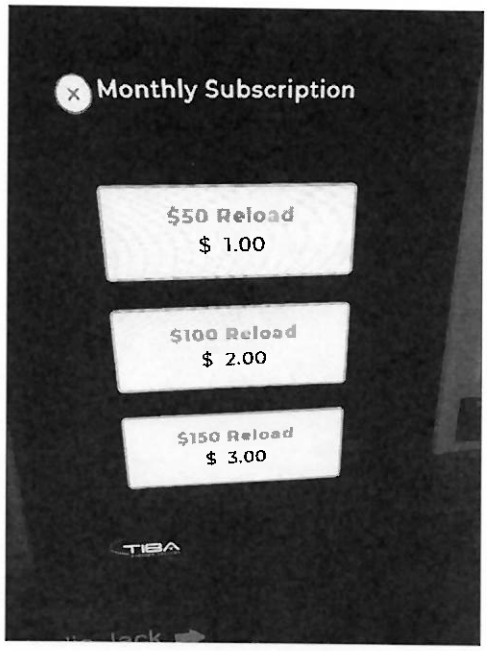

2 Once your card is successfully scanned. Your current card expiration date will be shown. Press continue...

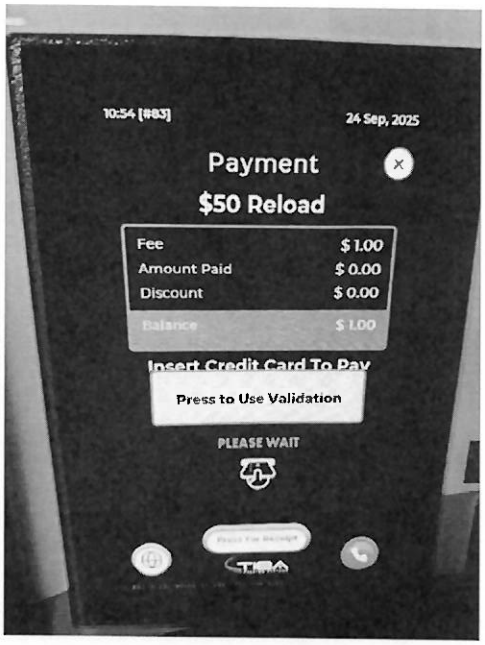

3 Your current card expiration date

4 Select an extension that suits your needs. In this example,we are selecting an additional $50 to our parking debit reload card.

5 Pay the amount shown to add the funds to your card.

6 A receipt will print confirming the balance has been added successfully to your card.
